**LESSONS IN TANYA (5 VOLUMES)**  
RABBI YOSEF WINEBERG

Lessons In Tanya takes the acute ideas and concepts of the Tanya and makes them readily accessible to the eager student, as it leads the reader through every paragraph and page, illuminating the mystical, often allusive, Talmudic, Kabbalistic, and Scriptural verses and concepts. It fills many gaps in what the terse Tanya text assumes to be the reader's background knowledge.

## SPARKS OF TANYA (2 VOLUMES)

ROBERT KREMNIZER

Each chapter of the Tanya is presented in simplified form and articulation, which although may upset some purists (because it can't possibly do the original justice), it will enable access to those who are unable for whatever reason to digest the original.
